

# Summer School

# Argentina in an International Social and Business Context

**MARCH 4 - 14, 2020  
ECONOMIC DEPARTMENT,  
UNIVERSIDAD NACIONAL  
DEL SUR, BAHÍA BLANCA**

Summer School

## Argentina in an International Social and Business Context

The program, directed to undergraduate as well as graduate students, combines thematic courses on Economics and Business in Argentina combined with various extracurricular activities. To achieve this objective, the program offers an intensive educational program - 20 hours of thematic classes per week - and different activities as business lunches, excursions and cultural get-togethers.

Also, a special thematic lecture in English which offer a comprehensive insight into Latin America's and Argentine's economic, social and political situation will be offered.

Summer School
