

Action Plan 2020

In the framework of the cooperation agreement between the SGroup European Universities' Network and the Asociación de Universidades Grupo Montevideo, both parties agree with the implementation of the following initiatives for 2020:

- **International opportunities:** implementation of joint initiatives between both networks and provide support for its members with applications and project management.
- **Workshops and trainings** – development of training sessions in relevant events hold by member institutions.
- **Communication and dissemination** - both networks are committed to disseminate each other's events and opportunities through their usual communication channels.
- **Bimonthly online meetings** between the representatives from both institutions.
- **SGroup General Assembly meeting** - The meeting will happen on 29-30 October 2020. One representative from Asociación de Universidades Grupo Montevideo will attend the meeting, free of charges. If appropriate, a presentation about the network or other relevant topics may be included. A report with the main conclusions should be written.
- **AUGM Annual Conference** - representative from SGroup will attend the meeting, free of charges. If appropriate, a presentation about the network or other relevant topics may be included. A report with the main conclusions should be written.
